## REMARKS

This paper is submitted in response to the Decision on Petition mailed on November 5, 2009 in reference to the above-captioned Application. Applicants respectfully requests reconsideration and withdrawal of the dismissal of the petition in light of the following remarks.

Applicants refer to the undersigned Attorney's telephone conversation with Thurman K. Page of the Office of Petitions on Monday, January 4, 2010, in which was discussed the status of the above referenced Application. Mr. Page indicated that the previous submitted papers from the submittal of May 26, 2009 were, in fact, received by the Patent Office. Mr. Page also indicated that the Petition to Withdraw a Holding of Abandonment filed May 26, 2009 was erroneously dismissed due to an error at the Patent Office in which all the filed papers of May 26, 2009 regarding the filed Petition were not detected and entered. Therefore, it is Applicant's understanding that the May 26, 2009 Petition is to be entered and considered in due course without prejudice.

Therefore, Applicants believe that the paper submitted herein provides a complete response to the Decision on Petition, and that the present case is in condition for allowance. In view of the foregoing, Applicants respectfully request reconsideration, withdrawal of all rejections, and allowance of all pending claims in due course. If the Examiner believes that a

telephone conference with the Applicant's attorneys would be advantageous to the disposition of this case, the Examiner is requested to contact the undersigned Applicant's attorney at the number provided below.

Respectfully Submitted,
